# 5 BENEFITS OF MONKEYNASTIX

For Preschoolers and Primary Learners

**SPORT INTRODUCTION**  
Children will gain valuable skills for different sporting activities. Ball skills, Gymnastics, Life skills

**PROBLEM SOLVING**  
Children are pushed to find new ways to achieve what they want through play.

**MOVEMENT DEVELOPMENT**  
We are an early childhood movement education programme which combines creativity & music with basic training in flexibility, balance, strength, agility, co-ordination and body awareness.

**SELF-ESTEEM**  
Children can bring their ideas to life by creating, transforming, and re-creating something unique.

**COMMUNICATION**  
Our programme offers many ways for young children to express themselves and demonstrate what they are learning across languages.
